

Delivering the safety management resources you need every day

From complying with OSHA regulations to training employees to writing policies, day-to-day safety compliance challenges can trip up even the most seasoned professional.

It's crucial for you to have a handle on the most common and costly pitfalls so you can keep your employees safe and your organization in compliance – and that's where **Safety.BLR.com** can help.

When you subscribe to **Safety.BLR.com**, you can:

- **Keep up with the changing regulations:** Easy-to-understand, plain-English analysis of federal and state regulations assist with compliance.
- **Train to minimize risk:** Customizable classroom training materials make it easy for you to put together effective training meetings.
- **Find SDSs:** A comprehensive database of SDSs will help you meet OSHA's Hazard Communication Standard requirements.
- **Create written plans and policies:** Your safety program must include written plans and policies on every safety topic applicable to your workplace. Save time by adding your information to one of our existing customizable, pre-written safety plans and policies.
- **Improve your Safety PR:** Draft custom safety newsletters using the all-new Newsletter Wizard.
- **Get clear answers to your tough safety questions:** Search hundreds of answers in our Ask the Experts library. Have a new question that hasn't been addressed? Our panel of safety experts will answer your question within three business days!
- **Professional development webinars:** refine your safety management skills, provide recertification points, and keep you constantly improving your program.
- **And much more!** Learn more about what Safety.BLR.com has to offer by checking it out for yourself! Take a FREE 14-day trial and get immediate access to tips and real-world advice for handling your most complex safety compliance challenges.

**Save time. Save money. Stay in compliance.
So what are you waiting for?**

*I believe in **Safety.BLR.com**, it has helped our company and myself on compliance and training needs with the resources that it has to offer. Plus, it's a very user friendly website.*

I appreciate all that BLR provides us."
