

INDEX

ENVIRONMENTAL MANAGER'S COMPLIANCE ADVISOR

2012—Issues 798 to 821

Ag Waste

Amended Cyclone Requirement for Feed Sector ... #799, p.13
Amendments to Ag Waste Rules ... #802, p.13
CAFO Reporting Proposal Withdrawn ... #813, p.2
CAFO Requirement Eliminated ... #814, p.1
Chicken Farms Must Stop Discharge ... #803, p.16
Does Proposed CAFO Rule Go Too Far? ... #802, p.3
Feedlot Violates CWA ... #808, p.16
Good-Faith Exemption in USDA Programs ... #800, p.11
Manure Storage Regulations Passed ... #804, p.13
Shale Drilling Permits on the Way ... #799, p.13

Air—Emissions Trading Programs

Utility Exceeds PM Emissions Limit ... #806, p.16

Air—General

10th Circuit Affirms EPA's SIP Authority ... #814, p.8
2020 deadline for revised PM-2.5 standard ... #811, p.14
Administration OK with Fracking ... Maybe ... #800, p.10
Air Rules Up for Revamp ... #811, p.12
Aircraft NOx Rule Conforms to UN Standards ... #810, p.14
Anti-MATS Resolution Defeated ... #811, p.10
Assigning Euros to Air Pollution Damage ... #803, p.5
CAIR Ruling Dropped Allowance Prices ... #802, p.2
Cal Air Plan Fails Data Test ... #801, p.14
Cement Company Pays for Air Violations ... #801, p.16
Coal Ash Surfaces in Transportation Bill ... #810, p.9
Committee Advises EPA on Ozone Standard ... #819, p.9
Comparisons Rejected in NAAQS Case ... #803, p.15
Court Disallows Citizen Suit in CAA Case ... #809, p.10
Court Sorts Out Cement Kiln Rules ... #799, p.5
CSAPR Not 'Better than BART,' Claim Enviros ... #802, p.15
D.C. Circuit Stalls Pollution Transport Rule ... #799, p.9
Don't Leave Your CAA Recordkeeping Up in the Air ... #801, p.7

Dueling Briefs Trail Pollution Transport Rule ... #808, p.3
Emissions Flexibility for Emergency Vehicles ... #810, p.2
EPA Appeals CSAPR Vacatur ... #818, p.2
EPA Retains NOx, SOx Secondary NAAQS ... #806, p.15
EPA Review No Help to Utilities ... #803, p.3
EPA Stands Pat on GHG Permit Thresholds ... #813, p.3
EPA Will Adjust Mercury Air Standards ... #821, p.1
Few Exemptions for Refinery Flare 'Modifications' ... #812, p.5
Forecasting Wind Power ... #806, p.3
Improvement in the Air ... #808, p.13
Industry Urges No Change to PM-10 NAAQS ... #816, p.2
Is It in the Air? ... #800, p.12
New Air Actions for Pulp and Paper ... #819, p.5
New Coal Pump May Speed Gasification ... #806, p.1
Not So Sweet Penalty ... #809, p.16
O&G 'Subsidies' or 'Cost Recovery'? ... #803, p.11
Old Power Plants Sticking Around ... #814, p.3
Poll Shows Small Biz Support for Fed Actions ... #811, p.2
Questionable Harm from Faulty Drywall ... #802, p.5
Refinery Violates CAA, CERCLA, EPCRA ... #806, p.16
Regional Haze Plans Due This Year ... #806, p.10
Repower Incentive for Great Lakes Steamships ... #800, p.15
Revised Air Rules for O&G Sector ... #815, p.2
Second Pollution Transport Rule Vacated ... #815, p.1
SO₂ Standard Not Arbitrary and Capricious ... #813, p.2
States Can End Stage II Gas Vapor Recovery ... #808, p.1
Texas Case Affirms State Air Authority ... #806, p.5
The EPA Approves Regional Haze Rule ... #813, p.13
TN Ups Emissions Fees ... #798, p.13
Yet Another Look at Combustion Rules ... #799, p.14

Air—NSPS

Air Amendments Proposed for New Turbines ... #816, p.9
Court Sorts Out Cement Kiln Rules ... #799, p.5

Don't Leave Your CAA Recordkeeping Up in the Air ... #801, p.7
Dueling Briefs Trail Pollution Transport Rule ... #808, p.3
EPA Chief Testifies on Budget Request ... #803, p.1
EPA Proposes First CO₂ Limits for Power Plants ... #805, p.1
EPA Seeks to Reduce NSPS Reviews ... #800, p.3
Few Exemptions for Refinery Flare 'Modifications' ... #812, p.5
Fire Suppression on Vessels ... #810, p.11
Limitations of Emissions Factors ... #803, p.8
NOx Standard Amended for Nitric Acid Plants ... #815, p.2
Texas Case Affirms State Air Authority ... #806, p.5

Air—Ozone-Depleting Substances

Hydrocarbons OK'd for Home Appliances ... #798, p.2
Mishandling Refrigerants Yields \$700,000 ... #812, p.16

Air Permitting

Company Snagged Under Refinery Initiative ... #809, p.16
Don't Sit on PM-2.5 Permit Application ... #813, p.15
Dueling Briefs Trail Pollution Transport Rule ... #808, p.3
EPA Seeks to Reduce NSPS Reviews ... #800, p.3
EPA Stands Pat on GHG Permit Thresholds ... #813, p.3
First Tribe to Gain Permitting Authority ... #805, p.2
Leaks at Plastics Facilities ... #811, p.16
New Permitting Fees Finally Needed ... #801, p.12
Texas Case Affirms State Air Authority ... #806, p.5

Asbestos

Asbestos Amendments Adopted ... #811, p.13
Asbestos Ban Has Limited Reach ... #810, p.8
Asbestos Inspectors Plead Guilty in Bribery Case ... #804, p.2
Bill Would Reform Asbestos Trusts ... #811, p.10

Boilers and Industrial Furnaces

Relaxed Enforcement for Boiler Rule Tune-Ups ... #805, p.14
Revisions Proposed for Boilers and Incinerators ... #798, p.1

Brownfields

More Green for Brownfields ... #811, p.11

CERCLA

See also Superfund

Nonaffiliation Under CERCLA ... #816, p.7

Potato Processor Fails to Report ... #804, p.16

Refinery Violates CAA, CERCLA, EPCRA ... #806, p.16

Chemicals

Alternatives to Toxic Surfactant ... #808, p.2

Cal's Safe Chem Proposal Rattles Industry ... #821, p.3

Elemental Mercury Rule for Four Products ... #809, p.1

Emerging Global Regulatory Trends ... #808, p.6

EPA Nano-Program Needs Work, Says OIG ... #800, p.13

EPA Swayed by Chem Groups ... #801, p.15

EPA's New Approach to Chemical Risks ... #804, p.3

FDA Considers BPA Abandonment Request ... #803, p.10

Inherently Safer Technology Needs Work, Says NRC ... #808, p.9

U.S. EPA and California Sign Chemical MOU ... #800, p.1

Utah Tests Indicate High Radon Risk ... #799, p.12

What's Wrong with CFATS? ... #805, p.5

Community Right to Know

7 Tips That Can Save Your Business ... #807, p.6

Chemical Reporting for Waste Facilities ... #815, p.3

Fighting Fires Caused by Border Crossers ... #800, p.5

Potato Processor Fails to Report ... #804, p.16

Will O&G Be Added to the TRI? ... #819, p.1

Containers

When Can You Store Hazwaste Without a Permit? ... #799, p.7

Dept. of Transportation (DOT)

Deregulating Low-Stress Transmission Lines ... #807, p.5

Draft Transportation Improvement Program ... #809, p.13

Improved Risk Reduction Needed for Gathering Pipelines ... #812, p.3

Drinking Water

Electronic Consumer Confidence Reports ... #816, p.8

Radon in Drinking Water ... #813, p.12

Third Unregulated Contaminants Rule ... #808, p.15

Effluent Limitations

Battery Maker Pays for Pretreatment Problems ... #799, p.16

Environmental Provisions in MAP-21 ... #813, p.5

EPA Dropped Ball in Costing Florida Rule ... #804, p.15

Revised Criteria for Recreational Waters ... #821, p.2

EHS Strategy

Advantages of an EMS ... #805, p.7

Electronics

Electronic Waste Disposal Ban Deadlines ... #799, p.12

Emerging Global Regulatory Trends ... #808, p.6

E-Waste Recycling Bill Signed into Law ... #809, p.12

Rule Proposed for Handling of CEDs ... #812, p.13

Emergency Planning and Response

7 Tips That Can Save Your Business ... #807, p.6

Fighting Fires Caused by Border Crossers ... #800, p.5

NRC Seeks Improved On-Site Emergency Response ... #807, p.10

Energy

Canada's Oil Sands—Riches with Risks ... #817, p.9

Clean Energy Bill Faces Tough Road ... #811, p.3

DOE's New Clothes Washer and Dishwasher Standards ... #809, p.2

Energy Challenges in the Warming Arctic ... #802, p.10

Energy Office Bill Signed ... #812, p.12

Energy Resources Adequate, Says DOE ... #798, p.10

ENERGY STAR Buildings and PEs ... #818, p.7

Forecasting Wind Power ... #806, p.3

House Passes Sweeping Pro-Coal Bill ... #817, p.8

Hydropower Potential at Nonpowered Dams ... #807, p.15

Lawmakers Want Answers on CO₂ Proposal ... #809, p.10

Lease Sale Announced for 7,250 Gulf Blocks ... #801, p.10

Nebraska Reviews XL Reroute ... #820, p.8

New Solar Permit Regs ... #812, p.13

New Term, Same Energy Debate ... #821, p.5

NJ Releases Energy Master Plan ... #799, p.12

Republican Energy Plan Passes in House ... #813, p.9

Romney Sees U.S. as an 'Energy Superpower' ... #815, p.8

Solar Permit Regs Proposed ... #801, p.13

State Receives Federal Energy Efficiency Grant ... #813, p.14

Tariff for Wind Towers from China ... #809, p.12

Two Energy Bills Signed ... #802, p.14

White House Extols CHP ... #816, p.1

Enforcement

ADEQ Adopts a Uniform Penalty Policy ... #804, p.13

Air and Water Problems at Coke Plant ... #815, p.12

Air Force Has UST Problems ... #817, p.12

Air Problems at Landfill ... #820, p.12

Battery Maker Pays for Pretreatment Problems ... #799, p.16

BSEE Director: More Rules, Strong Enforcement ... #808, p.11

Cement Company Pays for Air Violations ... #801, p.16

Cesspools Still Open ... #821, p.12

Chicken Farms Must Stop Discharge ... #803, p.16

Citations Issued in State Fair Stage Collapse ... #806, p.16

Cities Hammered for Stormwater ... #812, p.16

City Fined for Sewage Discharges ... #813, p.16

City Hammered for Stormwater ... #814, p.12

City Releases Untreated Sewage ... #799, p.16

City Violates CWA Permit ... #808, p.16

Companies Violate Cesspool Ban ... #810, p.16

Company Cited by OSHA ... #800, p.16

Company Snagged Under Refinery Initiative ... #809, p.16

Costly Manure Application ... #814, p.12

Costly Wastewater Discharges ... #801, p.16

Cranberry Farmer Settles Wetlands Violations ... #805, p.16

Destroyed Wetlands for Golf Course ... #819, p.12

Developers Pay for Stormwater Violations ... #799, p.16

Dirty Laundry ... #816, p.12

Disregarded NPDES Permit ... #821, p.12

Dust Up ... #820, p.12

Enviro Training Firm Fined \$10,878 ... #804, p.16

Environmental Justice Regulations Proposed ... #801, p.12

EPCRA Failures Lead to Hefty Fine ... #820, p.12

Excavator Cited for Worker Bucket-Riding ... #814, p.12

Excavator Is Cited for Worker Bucket Riding ... #813, p.16

Exceeded NOx Limit ... #818, p.12

Failed to Get Permit ... #819, p.12

Failure to Report Chemical Data ... #815, p.12

Feedlot Violates CWA ... #808, p.16

- Fine and Investments for Hazwaste Violations ... #817, p.12
- Fined for Lack of FRP ... #817, p.12
- Food Distributor Releases Chemical ... #809, p.16
- Fracking Reporting Failures ... #815, p.12
- Hefty FIFRA Fines ... #816, p.12
- Hefty Fine for CWA Violations ... #800, p.16
