

OSHA 10 & 30 HOUR

INSTANT ACCESS TO OSHA-AUTHORIZED CONSTRUCTION AND GENERAL INDUSTRY ONLINE TRAINING

Our safety trainings help employers and employees create a safe work environment by preparing them to identify, avoid, control and prevent workplace hazards. We make it simple and affordable for you to keep your entire workforce compliant with OSHA training requirements.

With online OSHA training, there are no travel costs and no time away from the job. You'll have instant access to the course 24 hours a day, 7 days week. Upon successful completion of the 10-hour or 30-hour OSHA Outreach courses, you will receive an official OSHA card from the U.S. Department of Labor.
